

CIC 2.0 Assignment Week 6

A Sonnet celebrating the Ingenuity of Kids

An Ode to my Grand Kids

Evolution of Ideas

"Unleash Kids on the World"

Creativity;

Kids born creative, anyway
Kids suck in ideas, everyday
Sponges for ideas that are the best
Tend to ignore the rest.

Innovation;

Ideas, a lot
Fast failure on the spot
Undeterred, into it again
Succeed and move to next pain.

Change;

Happens quickly, kids rapt
Too quick for parents and teachers to adapt
Let the kids off their stool
Let the kids rule!

Summary;

Unleash kids' creativity, by the letter
The world will change for the better.
